The land advertised in this package is not owned by Smart Homes & is purchased directly off the developer/seller of the land. Smart Homes work closely with the developer/seller & can organise the purchase of the land as part of the advertised house & land package. Alternatively, the client is able to purchase the land directly from the developer or agent. Whilst the relevant property was available for sale at the time the Builder approved the advertisement for publication, neither the Builder nor the developer and/or land seller can guarantee the relevant property will still be available at the time of enquiry.
